This is to certify that

*Rafal D. Doniec*

Membership Number PL00178

has successfully completed the 1995 summer season with

CAMP MARIST  
ROUTE 25 EAST  
CENTER OSSIPEE NH 03814

as a CAMPOWER PARTICIPANT in the  
CAMP AMERICA INTERNATIONAL CAMPOWER EXCHANGE PROGRAMME

Every participant is selected by written application and oral interview. They are chosen by their camp director from amongst the 2,000 applications received every year.

All participants are flown to America in June and are sent to their individual camps.

Upon arrival at camp, Campower workers are usually given an individual camp orientation before the arrival of the children.

Campower participants spend the summer season of nine weeks working as support staff (e.g. kitchen and maintenance) at Summer Camps. The work is extremely hard but fulfilling. Participants must have great patience and initiative. They must be flexible, cooperative and adaptable, with a responsible and mature attitude to their position. We feel that the experience of a summer spent with Camp America is of great benefit to participants and their future employers.

At the end of the summer the Campower worker will have gained many insights into American life and culture and played a real part in promoting international understanding.

This certificate testifies that the above named has successfully completed the Camp assignment and is to be commended for a job well done.

Signed

J. Robert Atkinson
