# INVITATION

University City, December 13, 2021

Dear,

Rafal Doniec

**Subject:** Invitation as Speaker

**Present.-**

Dear Sir:

We are writing to you on from the *Student Chapter Engineering in Medicine and Biology Society of the Institute of Electrical and Electronics Engineers (IEEE) of the Universidad Nacional Mayor de San Marcos (UNMSM)*, Lima - Peru, to cordially greet you and at the same time invite you to participate in the **I International Congress of Biomedical Engineering BIOCON 2021: Future of Bioengineering** as a **SPEAKER**, organized by the members IEEE EMBS UNMSM. The congress will be held from **17 to 19 December 2021**, being this in a virtual way and we would like to have your participation on December 18 at 10:00 hours (GMT-5). In this sense the IEEE EMBS UNMSM makes the corresponding invitation, so we would appreciate your prompt response.

The purpose of this event is to provide information to the community of university students and professionals on the development of applications and trends of new technologies in Peru and the world with a view to the future of bioengineering.

In recognition of his work and participation in the mentioned event, he will be awarded a certificate endorsed by IEEE Peru Section. In addition, you can count on our support and consideration for future collaborations that promote the development of scientific divulgation.

Nicole Naomi Caballero Canchanya

President IEEE EMBS UNMSM 2021
